Greetings Pathways Families!

We hope you are well. We truly miss seeing the students in person during this time, but we're thankful we can remain open, communicate with families, and continue to help students work towards their goals.

As you know, Spring Break is scheduled for April 6 - 10. We hope you will be able to relax and enjoy time with loved ones.

Students can still make progress on their coursework during this time if they choose, however, teachers will not be available to meet during the break. Virtual appointments will resume Monday April, 13th.

At this time we do not have an update on when we will be returning to the building. We will continue to monitor the COVID-19 developments and will provide you updates as soon as they are available.

Thank you for your continued support and engagement during these challenging times.

Our best wishes to your family,
