

5/15/2020

Hello Pathways Families,

We have all been staying healthy and safe, but we're terribly missing seeing our students in person! We have some new updates for you this week -

Pathways Seniors

We are tentatively planning a graduation ceremony in August, pending we are cleared to do so by health officials. We will keep you all updated when dates are confirmed. Since the graduation ceremony was supposed to be held May 28th, we will be hosting a senior parade that day at 2pm. We would love to see all seniors drive through in front of the school so we can cheer and celebrate you in this way. We will be passing out Jostens orders and a fun goodie bag to each senior. Invitations will be emailed next week.

Graduate Together: America Honors the High School Class of 2020

Idaho will be participating in a national effort to recognize and celebrate high school graduates this year! CCSSO is partnering with XQ Institute on this one-hour primetime show paying tribute to high school seniors, their teachers, and their families. XQ is partnering with The LeBron James Family Foundation, The Entertainment Industry Foundation, and a broad coalition of education, philanthropic, and corporate partners to develop this commercial-free special, airing on ABC, CBS, FOX, and NBC on Saturday, May 16, at 7 p.m. MT. The show will also be available through partners such as Complex Networks, Facebook, Instagram, PEOPLE, Snapchat, TikTok, and YouTube.

Learning Period Progress

This is the end of week 3 for this learning period. Students should have all their monthly work turned in by the end of next week. SGI classes are also coming to a close in the next two weeks. Students should be working closely with their SGI teachers to finish their coursework.

You can find more information on Idaho's stages of reopening by clicking on this link:
