

May 7, 2020

Greetings Pathways Families,

We hope that you and your loved ones are staying healthy. We wanted to remind you that Learning Period 10 is in progress. Students should be checking in with their teachers twice a week and continuing to complete school work. Distance learning will continue through the remainder of the school year and possibly into the summer months.

We are now able to enroll new students using online platforms. If you know someone who would like to be added to the lottery list please email Mandi at amandamora@pathwaysedu.org or call the school at (208) 505-4800.

Congratulations to all the recent graduates! We are still hopeful that we can hold a ceremony at a later date.

Thank you again for your continued support and engagement. We are honored to have you as a part of the Pathways family!

Sincerely,

Pathways In Education
