

May 22, 2020

Dear Pathways Families,

The school year is winding down. We are finishing Learning Period 10 on Friday and then we only have less than a month before the end of the school year on June 12th. Let's finish the year strong! Please make sure that you complete all of your Edmentum and SGI coursework prior to the end of the year.

Over the next couple of weeks we will be sending instructions on how to register for the new school year, along with information on optional parent teacher conferences. Remember, we are a year-round school and will continue to serve students via distance learning during the months of July and August. In addition, we are offering virtual SGI Speech and Senior Math classes over the summer.

We are constantly monitoring guidance regarding COVID-19 from district, city, county, and state officials. Pathways staff is working on plans to resume student appointments in the fall with additional safety measures in place. We will keep you posted on all developments.

Lastly, we are looking forward to celebrating with our graduates during the senior parade on Thursday, May 28th at 2pm, in the school parking lot. Please drive by to show your school spirit and love for Pathways' grads!

Sincerely,

Pathways Staff
